

CURRICULUM VITAE

Görkem Eskiizmir

Home Address:

526/2 St. no. 8/4
35270, Konak
Izmir/TURKEY

University Address:

Celal Bayar University
Department of Otolaryngology-
Head&Neck Surgery
45030, Uncubozköy
Manisa/TURKEY

e-mail:

geskiizmir@hotmail.com

gorkem.eskiizmir@cbu.edu.tr

Telephone:

0.535.327 85 52

0.236.444 42 28/2721

Year of birth:

1975

Nationality:

Turkish

h-index: 12

Education

University	Faculty/Institute	Education	Year of Graduation
Hacettepe University	Faculty of Medicine	Practitioner	1999
Manisa Celal Bayar University	Faculty of Medicine	ORL-HNS	2004
Dokuz Eylül University	Institute of Oncology	Ph.D.	2018

Academic experience

2005 - participated observership program in head and neck surgery and facial plastic surgery in “University of Michigan” that was supervised by Prof. Dr. Gregory WOLF (head and neck surgery), Prof. Dr. Carol BRADFORD (head and neck surgery) and Prof. Dr. Shan BAKER (facial plastic surgery and head and neck reconstruction).

2005-2006 – fulfilled the military service in Tatvan/Bitlis.

2006-2007 – worked as a private practitioner in Hayri Sivrikaya Hospital in Düzce.

2007-2012 – worked in Celal Bayar University as an assistant professor with special interests of head and neck surgery and facial plastic surgery.

2009 - participated observership program in head and neck surgery and sleep surgery in “University of California, San Francisco” that was supervised by Prof. Dr. David EISELE (head and neck surgery), Prof. Dr. Lisa ORLOFF (thyroid and parathyroid surgery) and Asst. Prof. Dr. Eric Keizirian (sleep surgery). Moreover, had a observer fellowship in Oakland that was supervised by Prof. Dr. Ronald GRUBER (rhinoplasty and facial plastic surgery).

2011 – board certified by Turkish Otolaryngology-Head and Neck Surgery Society.

2014 – participated observership program in head and neck surgery in “University of Pittsburgh” that was supervised by Prof. Dr. Jonas JOHNSON (head and neck surgery) and Prof. Dr. Robert L. FERRIS (head and neck surgery).

2012-2018 – fulfilled Basic Oncology ph.D. program in Institute of Oncology, Dokuz Eylül University that was supervised by Prof. Dr. Yasemin Baskın.

2012- has been working as an Associate Professor in Manisa Celal Bayar University.

Research interests

My special interests are molecular pathologies and microenvironmental changes in head and neck cancers. My thesis of PhD is to investigate the role of hypoxia induced factors in head and neck cancers.

Professional memberships

European Facial Plastic Surgery Society

Turkish Otolaryngology- Head and Neck Surgery Society

Turkish Facial Plastic Surgery Society

Turkish Head and Neck Surgery Society

Academic Professions

Turkish School of Head Neck and Thyroid Surgery (Deputy manager), 2014-ongoing.

Manisa Celal Bayar University, Post-graduation Education Commission (member), 2015-2017.

Manisa Celal Bayar University, Basic Education Commission (member), 2015.

Turkish Otorhinolaryngology-Head and Neck Society, Qualification Board, Education Commission (Deputy manager), 2012-2014.

Turkish Otorhinolaryngology-Head and Neck Society, ENT School; Head and Neck - Thyroid School, (General secretary), 2014-2018.

Turkish Otorhinolaryngology-Head and Neck Society, ENT School (General secretary), 2018-.

Research Projects

1. The evaluation of synergistic effects of Metformin and Dichloroacetate on mitochondrial energy metabolism and chemosensitivity of Cetuximab in Oral Squamous Cell Carcinoma: Drug Repositioning (TÜBİTAK-1001 project no. 118S576, Researcher, 2018-).
2. The assessment of combined graphene based nanomaterials loaded with cisplatin and laser induced hyperthermia in the treatment of oral cavity cancer: An in vitro study (TÜBİTAK-3001 project no. 115S037, Manager, 2015-2017).
3. The combination treatment of chemotherapy and radiotherapy for oral cavity and larynx cancer cell lines using gold, silver and platinum nanoparticles as drug nanocarriers (TÜBİTAK-1001 project no. 115S483, Researcher, 2015-2018).
4. The investigation of attenuated effect of graphene, zinc oxide and nickel oxide nanoparticles that coated-pressure equalization tubes in different otopathogenic bacteria related biofilm formation: an in vitro study (TÜBİTAK-1001 project no. 215S609, Researcher, 2016-2018).
5. The predictive and prognostic role of E-Cadherin, N- Cadherin and PTEN signalling pathways in advanced stage larynx cancer (Celal Bayar University Scientific Research Project, project no. 2015-166, Manager, 2015-2016).
6. The role of stroboscopy in differential diagnosis of vocal cord lesions (Celal Bayar University Scientific Research Project, project no. 2015-118, Researcher, 2015-2018).
7. The role of elastography for the evaluation of cervical lymph nodes (Celal Bayar University Scientific Research Project, project no. 2013-027, Researcher, 2013-2016).
8. The evaluation of epithelial barrier integrity in adenoid tissues (Celal Bayar University Scientific Research Project, project no. 2013-077, Researcher, 2013-2014).
9. The evaluation of M and dendritic cells in adenoid tissues (Celal Bayar University Scientific Research Project, project no. 2012-104, Researcher, 2013-2014).
10. The comparison of dermoscopic, ultrasonographic and histopathological examination for the diagnosis of skin tumors (Celal Bayar University Scientific Research Project, project no. 2010-005, Researcher, 2010-2014).
11. The evaluation of the role of erythropoietin on acoustically traumatized rat cochlea (Celal Bayar University Scientific Research Project, project no. 2010-052, Researcher, 2011-2013).

12. The biochemical examination of free radical metabolites and antioxidants in cholesteatoma (Celal Bayar University Scientific Research Project, project no. 2003-062, Researcher, 2004-2005).
13. The histopathological examination of thermal of effect on facial nerve during mastoid surgery (Celal Bayar University Scientific Research Project, project no. 2002-024, Researcher, 2002-2003).

Scientific Awards

1. 39. Turkish National Meeting of Otorhinolaryngology and Head and Neck Surgery, “*Oral Kavite Kanserinde Lazer Uyarımlı Karbon Nanotüp Nanoşerit-Sisplatin Nano-İlacın Kemo-Fototermal Etkinliğinin Araştırılması*”, Head and Neck Section, 08-12 Kasım 2017 (1st prize).
2. 22. Ulusal Kanser Kongresi, “*Radyoterapi Dirençli Oral Kavite Kanser Hücre Hattında İlaç Taşıyıcı Altın Nanopartiküllerin Etkisi*”, Türkiye Kanserle Savaş Derneği-Prof. Dr. Bedii Gorbon Ödülü, 19-23 Nisan 2017 (1st prize).
3. 22. Ulusal Kanser Kongresi, “*Oral Kavite Kanserinde Pulsed Lazerle Uyarılmış Aktif Hedeflenmiş Grafen Oksit-Setüksimab Nano-İlaç Kompleksinin Yarattığı Kemofototermal Etkinin İncelenmesi*”, Türkiye Kanserle Savaş Derneği-Prof. Dr. Ali Haydar Taşpınar Ödülü, 19-23 Nisan 2017 (1st prize).
4. Best Reviewer Prize, Turkish Archives of Otorhinolaryngology, 2016.
5. Annual article performance prize of Manisa Celal Bayar University, 2013.
6. Annual article performance prize of Manisa Celal Bayar University, 2012.
7. Gürgeç O, Gürgeç SG, Kırkım G, Kolatan E, Gürkan S, Güvenç Y, Eskiizmir G.” *Eritropoetin akustik travmaya bağlı koklear hasarlanma üzerine etkisi: Çok merkezli deneysel bir çalışma*” 34. Türk Ulusal Kulak Burun Boğaz ve Baş Boyun Cerrahisi Kongresi 10-14 October 2012, Antalya-TURKEY (2nd prize).
8. Türel Ermertcan A, Öztürk F, Gençoğlu G, Eskiizmir G, Temiz P, Dinç Horasan G. “*Benign ve malign deri tümörlerinin klinikopatolojik korelasyonu: retrospektif bir çalışma*” XIX. Prof. Dr. A. Lütfü Tat Simpozyumu, 11-15 November 2009, Ankara-TURKEY (3rd prize).
9. Eskiizmir G, Yücedürk AV, İnan S, Giray G. “*Yüksek şiddette sese maruz kalmaya bağlı spiral gangliyon hasarının deneysel çalışma ile değerlendirilmesi*” III. Türk Kulak

Burun Boğaz ve Baş Boyun Cerrahisi Derneği Akademi Toplantısı 14-17 April 2005;
Izmir-TURKEY (2nd prize).

International Book Chapters

1. Eskiizmir G, Özgür E. Epithelial mesenchymal transition in tumor microenvironment induced by hypoxia. In: Calibas-Kocal G, Basbinar Y (Eds). “*Cancer metastasis*” INTECH, 2018

2. Eskiizmir G, Baskın Y, Yapıcı K. Graphene based nanomaterials in cancer treatment and diagnosis. In: Grumezescu A (Ed), “*Carbon (nanotubes, fullerenes, graphenes) nanomaterials*” ELSEVIER; 2018.

3. Eskiizmir G, Ermertcan A, Yapıcı K. Nanomaterials: Promising structures for the management of oral cancer. In: Grumezescu A (Ed), “*Nanostructures in Therapeutic Medicine, Volume 1: Nanostructures for oral medicine*” ELSEVIER; 2017.

Translation of Book Chapters

1. Eskiizmir G. Yara iyileşmesi ve Flep fiziolojisi. In: Gerek M, Akçam Y: ed: “*Ballenger Otorinolarinoloji-Baş ve Boyun Cerrahisi*”, Palme Yayınevi (2014) [Orijinal kitap adı: Frodel JL. Wound healing and flap physiology. In Snow J, Wackym PA: ed. Ballenger's Otorhinolaryngology Head and Neck Surgery, BC Decker, 2009].

2. Eskiizmir G. Skar revizyonu ve Deri yenileme. In: Gerek M, Akçam Y: ed: “*Ballenger Otorinolarinoloji-Baş ve Boyun Cerrahisi*”, Palme Yayınevi (2014) [Orijinal kitap adı: Kontis TC. Scar revision and skin resurfacing. In Snow J, Wackym PA: ed. Ballenger's Otorhinolaryngology Head and Neck Surgery, BC Decker, 2009].

3. Eskiizmir G, Ünlü HH. Burnun Konjenital Anomalileri. In: Cingi C, ed: “*Current Otorinolarinoloji-Baş ve Boyun Cerrahisi: Tanı ve Tedavi*”, Güneş Kitabevi Ltd. Sti. (2005). [Orijinal kitap adı: Christian J. LAANE. Congenital Anomalies of Nose. In Anil K. LALWANI: ed. Current Diagnosis & Treatment in Otolaryngology-Head & Neck Surgery, Lange medical books/McGraw-Hill, 2004].

4. Çelik O, Eskiizmir G. Mesleki İşitme Kaybı. In: Cingi C, ed: “*Current Otorinolarinoloji-Baş ve Boyun Cerrahisi: Tanı ve Tedavi*”, Güneş Kitabevi Ltd. Sti. (2005). [Orijinal kitap adı: David N. SCHINDLER, Robert K. JACKLER, Scott ROBINS. Occupational Hearing Loss. In Anil K.

LALWANI: ed. Current Diagnosis & Treatment in Otolaryngology-Head & Neck Surgery, Lange medical books/McGraw-Hill, 2004].

5. Çelik O, Eskiizmir G. Temporal Kemik Travması. In: Cingi C, ed: “*Current Otorinolarinoloji-Bas ve Boyun Cerrahisi: Tanı ve Tedavi*”, Güneş Kitabevi Ltd. Sti. (2005). [Orijinal kitap adı: John S. OGHALAI. Temporal Bone Trauma. In Anil K. LALWANI: ed. Current Diagnosis & Treatment in Otolaryngology-Head & Neck Surgery, Lange medical books/McGraw-Hill, 2004].

6. Eskiizmir G. Nazal Fraktürler. In: Can KOÇ, ed: “*Cummings Otolaringoloji Baş ve Boyun Cerrahisi*”, Güneş Kitabevi Ltd. Şti. (2005). [Orijinal kitap adı: Nasal Fractures. In Charles W. CUMMINGS, Jr.: ed. Cummings Otolaryngology - Head and Neck Surgery, 4th Edition, Mosby, 2006].

National Book Chapters

1. Eskiizmir G. Yüz ve Burun Kırıkları. In: Önerci TM (Editor in chief), Midilli R (Section editor) “*Kulak Burun Boğaz Baş Boyun Cerrahisi: cilt 3*”, Matsa Basımevi-Ankara; pp: 256-70 (2016).

2. Eskiizmir G. Yüzde Kullanılan Greft ve Flepler. In: Önerci TM (Editor in chief), Midilli R (Section editor) “*Kulak Burun Boğaz Baş Boyun Cerrahisi: cilt 4*”, Matsa Basımevi-Ankara; pp: 689-98 (2016).

3. Eskiizmir G. Yüz ve Burun Kırıklarında Cerrahi Onarım. In: Önerci TM (Editor in chief), Midilli R (Section editor) “*Kulak Burun Boğaz Baş Boyun Cerrahisi: cilt 4*”, Matsa Basımevi-Ankara; pp: 698-709 (2016).
